

Post-Results Services

If you are unhappy about an exam result, the exam boards make available a number of services. The school may ask your permission to request one of these services at the school's expense. If the school does not support a request then you may appeal that decision. You may apply for and pay for a service yourself by contacting the Exams Officer.

What's available

1. If you have a university place pending, you should request a [priority review of marking](#) (summer series only).
2. If you do not have a university place pending, you can request a:
 - i. [priority copy of the marked paper](#) to decide if you want a clerical re-check or review of marking
 - ii. [clerical re-check](#) to ensure that marks have been totalled and allocated correctly
 - iii. [review of marking](#) to ensure that the mark scheme has been applied correctly
3. The school can request [moderation review](#) for controlled assessment or coursework in a whole subject if it feels that there has been a problem with external moderation

If you are not planning a clerical re-check, review of marking or appeal, you can also request the return of your [original marked paper](#) to support teaching and learning.
