V.1

Attendance Policy for the Sixth Form

1. Denbigh School's Position on Attendance in the Sixth Form

- 1.1 We expect students in the Sixth Form to recognise that excellent attendance is essential to maximise their academic potential.
- 1.2 Consistent and punctual attendance are qualities highly valued by employers and references often ask for comments regarding a student's attendance and punctuality record.
- 1.3 Concerns regarding a student's attendance and punctuality are dealt with according to our 'Tiered Attendance Intervention Levels system', which is set out in Appendix 1.

2. Students' Responsibilities

2.1 Attendance and Punctuality

- 2.1.1 It is important that you come to School every day. High attendance levels will help you to find learning easier and your learning will make more sense, as you will understand how one lesson picks up from where the last one in the same subject left off. You will also have time to practice the skills the teacher wants you to learn.
- 2.1.2 If you get into the habit of irregular attendance, your work will suffer, mainly because there will be little continuity of learning for you. You will always be missing key parts of a teacher's explanation, and will not get the practice you need to improve your skills, increase your knowledge and make the expected progress.
- 2.1.3 We understand that sometimes you and your family may have problems, but we expect you to make your attendance at School a priority. You should only take time off if you are ill or there is a major family emergency or a bereavement; reasons for absence such as, minding the house, looking after younger sisters or brothers, driving lessons are not acceptable.
- 2.1.4 If you are late to school or a lesson, you will miss important parts of the curriculum and put yourself at a disadvantage. You will also disturb the learning of others by arriving late, preventing them from making good progress. Punctuality is an important quality, which you should cultivate as it is an essential component of being successful in the work-place environment.
- 2.1.5 **Any student arriving at a lesson 15 minutes or more after the start of that lesson may be denied admittance to the lesson by the class teacher. That student will then be marked as absent from the lesson in question.**
- 2.1.5 We will review punctuality for all students at end of each half term. A poor record of punctuality will mean that you are placed on the 'Tiered Attendance

Intervention Levels system' at the School's discretion. The Level will be determined by the amount of minutes late that have been accrued.

2.2 What you should do -

2.2.1 If you are ill.

If you need to stay at home because of illness, your parent/carer should notify the School on the first day of your absence, through ParentMail or by telephoning or emailing the Sixth Form Administrator and then update the School on a daily basis thereafter. Until your parent lets us know why you are absent, you will be marked as an 'unauthorised' absence. If you have an absence due to illness, longer than five days, a medical note from your GP should be obtained. If you should fall ill during the school day, you should report to the Sixth Form Administrator or your Head of Year. If you require medical assistance then you must see the Senior First Aider who can arrange for you to be collected if the need arises.

In individual cases where attendance is not of the required standard we reserve the right to request medical evidence for each incident of illness.

2.2.2 If you have an appointment.

2.2.2.1 If you need to leave school during the school day because you have an appointment, you must inform the Sixth Form Administrator.

2.2.2.2 Your absence must be covered by a note from home, and must be for an acceptable reason, such as a hospital, doctor's, or dentist's appointment. However, appointments of this nature should be made wherever possible outside school hours, so that your education is not interrupted.

2.2.2.3 Driving lessons are not accepted or considered as appointments.

3. The School's Responsibilities and Procedures

3.1 Teachers will mark the class register at the start of each lesson.

3.2 When your Subject Teacher calls the register in the morning, she/he will mark you either:

- Present
- Authorised absence
- Unauthorised absence

As well as these categories the teacher can use other categories of attendance or absence as follows:

3.2.1 'Approved educational activity' - this consists of an educational activity, approved by the School, undertaken off the school premises. Work experience, field trips and visits, approved sporting activities and courses/visits linked to University or apprenticeship for part of the time are all examples of an 'approved educational activity'.

- 3.2.2** If you are involved in a special family occasion, and your parent writes to the school asking permission for you to be absent and states the reason, the School must decide whether your absence is authorised or unauthorised. As well as taking into account the occasion (for instance, a close family member's wedding), the Director of Post 16 will take into account your previous pattern of attendance.
- 3.2.3** If your parent/carer wishes you to be absent to observe a religious festival, you should bring a note from him/her in advance of the absence, asking permission from the Head of School to miss School on that day. This would normally be counted as an authorised absence. A maximum of one day per year may be authorised for a religious festival.
- 3.3.** If you are absent, the Sixth Form Administrator will authorise your absence when she has been informed of the reason and it is considered justified.
- 3.4** If you are absent and your parent/carer has not informed the School on the first day, staff at the School will follow up your absence.
- 3.5** By law, only the School can authorise absence. Parents can offer an explanation for your absence, but only the School can decide if it is justified. If, in our view, your absence is unjustified, your Mentor or Heads of Year may ask your parent/carer to come into the School to discuss the matter.
- 3.6** If you have unauthorised absence then the 'Tiered Attendance Intervention Levels' system will be applied.
- 3.7** If you are late to a lesson then the teacher will note this in the School's attendance system, including a reference to how many minutes you are late.

4. Family Holidays

- 4.1** These must not be taken during term time as they seriously disrupt the continuity of your learning. Term dates are set two years in advance and you are given a calendar for yourself and your parent/carer at the beginning of the school year in order to help you plan your time and to avoid missing school.
- 4.2** The Government has made changes to legislation regarding the taking of holidays in term time – these are effective from September 2013 and are as follows:
- 4.2.1** The legislation gives no entitlement to parents to take their child on holiday during term time.
- 4.2.2** The Education regulations state that applications for leave of absence must be made in advance and can only be authorised by the Head of School in exceptional circumstances.
- 4.2.3** If exceptional circumstances are agreed the Head of School can determine the length of time a child can be away from school.
- 4.2.4** Holidays taken in term time are not regarded as exceptional circumstances.

- 4.3** You should be aware that taking holidays during term time without permission from the School could mean that you are placed on a level of concern under the 'Tiered Attendance Intervention Levels' system.

5. Conclusion

- 5.1** It is the policy of the School to encourage 100% attendance and punctuality.
- 5.2** If you have a reason for being absent that the School thinks is justified, then you will be marked as an authorised absence. If your reason for absence is unjustified, or your parent/carer does not give a reason for absence, you will be marked as an 'unauthorised absence'. This will be recorded on your record of attendance.

6. Summary of the Attendance Policy

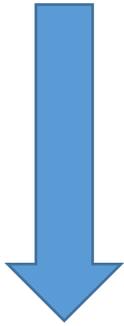

- 6.1** You should attend School punctually and every day.
- 6.2** Your parent/carer needs to let the School know why you are absent on the first day, by ringing or emailing the Sixth Form Administrator and on each day thereafter.
- 6.3** Absence due to illness and family emergency or bereavement will be authorised at the discretion of the Headteacher.
- 6.4** Medical and dental appointments must be made out of School hours. If unavoidable, please bring your card or a letter to the Sixth Form Administrator.
- 6.5** Teachers will register each class they take during the day. Lateness or absence will be recorded and followed up.
- 6.6** Family holidays must not be taken in term time.

Appendix 1

Tiered Attendance Intervention Levels

Level 1

Students who have two unauthorised absences during a half term are placed on Level 1

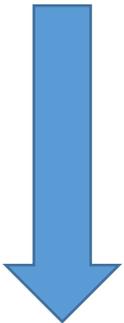

Action

- Parents are informed by letter from Sixth Form Attendance Officer
- Meeting between student and academic mentor
- Students remain a Level 1 concern and attendance is monitored on a weekly basis

Level 2

A Level 1 student who has two more unauthorised absences in the same half term will move to Level 2

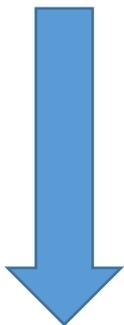

Action

- Parents are contacted directly by Mentor.
- Students remain a Level 2 concern and attendance is monitored on a weekly basis
- A letter is sent to parents from Head of Year

Level 3

A Level 2 student who has one more unauthorised absence in the same half term will move to Level 3

Action

- A letter is sent to parents, asking them to attend a meeting with the Director of Post 16
- Students remain a Level 3 concern and attendance is monitored on a daily basis
- Any further absenteeism and the student may be asked to leave

Note: A perfect attendance record for four weeks will remove the student from the attendance policy concerns. Any further unauthorised absence will result in the student returning to their previous level of concern.
