

Year: 11 Subject: Music Technology Vcert	Curriculum Intent: Music Technology in Year 11 will continue to develop communication, planning and experimentation skills. Students will extend their studies into the areas of studio recording and sound creation. Evidence creation will continue to develop the planning and experimentation skills whilst revising all areas of study for examinations. By the end of Year 11, students will have a broad and balanced knowledge of Music Technology. They will be able to evidence their skills practically and articulate their knowledge under exam conditions. Success at year 11 will provide a solid foundation on which to begin A-Level studies.					
	Term 1		Term 2		Term 3	
	Sound Creation, Studio recording and exam Preparation.		Sound Creation, Studio recording and exam Preparation.		Final Completion of practical projects	
Sequence of Delivery	Sound Creation and Studio Recording Introduction.	Sound Creation and Exam Preparations. PPE Exams.	Sound Creation, Studio Recording and Exam preparations.	Sound Creation, Studio Recording and Exam preparations. Final Exams.	Finish/rework of portfolios 1,2,3&4	Study Leave
