Denbigh students mark the return of GCSE exams with top grades

Denbigh students have marked the return of GCSE examinations with outstanding results in a huge day of celebration for the school. There were scenes of delight as students came into school to collect their results and celebrated their achievements with their teachers and friends.

The top 20 GCSE students at Denbigh scored an average of Grade 8 or above across all their subjects and the top 50 students scored an average of Grade 7 and above. This is a remarkable achievement, and the school is very proud of its students.

The top five performing students in the school were:

Varnan Saththiyanthiran	Eight Grade 9s & Three Grade 8s
Sharveen Shanthalingam	Eight Grade 9s & Three Grade 8s
Louis Peckham	Seven Grade 9s & Four Grade 8s
Musa Ahmad	Six Grade 9s & Five Grade 8s
Jamie Shakeshaft-Ward	Six Grade 9s & Five Grade 8s

Denbigh's Head of School, Dr Andrea Frame said: 'I am delighted with the results this year which show how our Year 11 students took the return of GCSE examinations in their stride! They have been supported all the way by our dedicated teachers who have helped them achieve their potential and set themselves up for their next steps, post 16. It has been wonderful celebrating with our students and their families today and we look forward to welcoming the majority of them into our fantastic Sixth Form in September.'
