Year 11 students celebrate top grades on GCSE results day

GCSE results day saw scenes of delight as our Year 11 students came into school to collect their results and celebrated their achievements with teachers, families and friends.

The top 20 GCSE students scored an average of Grade 8 or above across all their subjects and the top 40 students scored an average of Grade 7 and above. This is a remarkable achievement, and we are very proud of them.

Headteacher, Dr Andrea Frame said: 'I am so pleased for our students who have received such excellent results today. All their hard work has paid off and they have truly demonstrated our school values of 'being engaged, being kind and respectful, and doing no harm'. They have been supported all the way by our dedicated teachers who have helped them achieve their potential and set themselves up for their next steps, post 16. It has been a privilege to

celebrate with our students and their families today and we look forward to welcoming the majority of them into our Sixth Form in September.'
