Safety in icy weather

While the weather is extremely cold and icy, please talk to your child regarding the importance of staying safe while conditions are potentially dangerous. This week we had to attend a scene at the pond to the right of Denbigh School as there were students attempting to walk across this. This is extremely dangerous and could potentially be fatal. Please talk to your children about this and warn them of the dangers of such behaviour along with general safety walking to and from School in these conditions.

Road closures

Please see the attached notice regarding road closures in Milton Keynes. If this affects your journey then please allow extra time to ensure you arrive at School at the latest at 8.25am for 8.30am registration.

Open evening success

This week we opened our doors for the Sixth Form Open Evening. I would like to say thank you to all sixth form students who offered their evening to help make the event a success. These evening would not be possible without the hard work of students and staff coming together.

I hope you have a lovely weekend.

Kind regards,

Dr A Frame
