DENBIGH SCHOOL

Friday 20th October 2023

Dear Parent/Carer,

I hope this email find you well and ready to enjoy the half term holiday.

Denbigh Association Bingo

Thank you to everyone who came along to the Denbigh Association Bingo on Friday 13th. This was a wonderful evening and something that we always enjoy. I would also like to say thank you to those who donated towards the raffle or donated on ParentMail, in total we raised £404 which will make a big difference towards the Denbigh Association funds which will be used to support students at Denbigh School.

Recruiting Governors

We are recruiting community governors, a new category of governor to join our dedicated Board of Governors. We are looking for a local perspective & expertise from members of our local community who do not have direct links to the school through being a parent or member of staff. Could you share this advert if you know of someone in our local community who might be interested. They can contact our Governance Professional, Mrs Stewart on stewartt@denbigh.net for further information. Just to recap a community governor **cannot** be a parent of a child at the school or be a member of staff at the school or the Denbigh Alliance Trust.

Library update

The Denbigh Book Fair was a huge success. In total we raised £297.08 for the school library. Thank you to all who bought a book. If you didn't get a chance this time around, don't worry, as we will be having another Book Fair in March. I am also pleased to say that Denbigh School will be partnering with Scholastic Book to introduce a Book Club. Please head to the following [link](#) to browse the latest books and order online. For every £1 you spend on this month's Book Club, our school will earn 20p in Scholastic Rewards. Please place your order online by December 10th, 2023. Please consider buying from the link above; books are cheaper on Scholastic than other retailers, and every little bit helps the school raise money to buy more books to keep our library well stocked!

SEN Drop In

A reminder that the SEN team will be hosting a series of Drop In Sessions again this year. This is the chance to have a friendly chat over a hot drink and a biscuit. You can drop-in at any time during the session to discuss different SEND topics, share insight, ideas and successes with the team and/or other parents. The first session will take place on the 2nd November. Please see the attached poster and email asifm@denbigh.net for more information.

Biology competition

As mentioned in the Bulletin last week Miss Herring ran a competition for biology students in celebration of biology week. Please see the attached document showing the winning designs. Fantastic work from all. Well done!

I hope that you have a wonderful half term. I look forward to seeing students at 8.30am on Monday 30th October.

Kind regards,

Dr A Frame
Headteacher
