Product Design Model-Phone-Holder

Week	Activity	Resources	How presented?
1 **Task 1**	Task 1 Mobile- Phone- Holder Review the PDF document. The task is a research design and modelling task: Model of a mobile phone holder for your mobile. (Designing and modelling a phone stand) Modelling with card using basic materials obtained from around your home and more advance techniques. *You will require internet access, card, scissors, tape, glue, modelling materials*	Internet & Resources from around your home	On the PDF document you can either print off and handwrite or electronically add your work depending on your IT facilities and skills. Photos can be inserted.
2 **Task 2**	Follow the structure of the PDF document. Read the Inspiration PDF document. Tasks: 1. Complete Brief & Specification 2. ACCESS FM > Refer to the resources	Internet access. PDF documents.	Completed Brief & Specification. ACCESS FM.
3 **Task 3**	Research Inspiration Mood board with annotation	Internet access. PDF document.	Research
4 **Task 4**	Designing Design Task (first ideas)	Internet access. PDF document.	Designing
5 **Task 5**	Modelling Prototypes Watch the videos: Modelling with card basic and more advance techniques https://www.youtube.com/watch?v=2s2UW32FdpQ https://www.youtube.com/watch?v=yTMmCO7Ezp4 https://www.youtube.com/watch?v=nNLY1yt9iCE ➢ Using some of the skills demonstrated in the YouTube clips have a go at modelling in card you have at home (cereal boxes work really well). ➢ There is a large resource on YouTube on modelling techniques in card and model making.	Internet access – can be accessed via phone. Card Scissors Tape Glue Modelling Materials	Practice simple models (Practice makes perfect. If you don't practice you don't improve).

6	Iterations 1	Internet access – can be accessed via phone	PDF by hand Photos
Task 6		Card Scissors Tape Glue Modelling Materials	
7	Iterations 2	Internet access – can be accessed via phone	PDF by hand Photos
Task 7		Card Scissors Tape Glue Modelling Materials	
8	Evaluation	Internet access – can be accessed via phone	PDF by hand Photos
Task 8
