Admissions

For any queries related to admission to Denbigh school please contact our **Admissions Officer** on admissions@denbigh.net.

Attendance

Year 7 to 11 Attendance

Year 7 to 11 student absence can be reported to our Attendance Team via our dedicated email: studentabsences@denbigh.net or on **01908 330536**. When reporting student absence, parents/carers should provide the student's name and nature of the absence (including when you expect them to return). Parents should notify the school by 8:00am wherever possible. This includes times when you know that your child will be absent, for example for a medical appointment.

Student absence can also be reported via the ParentMail App. Go to the 'Reporting student absence' tab and select the length and nature of the absence from the drop-down menus. Please provide as much detail as possible regarding the absence in the comments section. This message will be sent directly to our Attendance Team.

Please note that if your child is absent, and we have not been notified of the reason our Attendance Team will follow procedures to make contact with parents/carers, this can be via telephone calls, letters and home visits.

Leave of Absence

Denbigh School does not authorise holidays taken in term time. We understand however that there may be events which you would like to attend that are unexpected and have no control over, for example a funeral. In circumstances such as these you must request a Leave of Absence in advance to studentabsences@denbigh.net providing as much detail as possible. This will be passed to the Headteacher to consider the request. Previous attendance will be taken into consideration.
