2025  
Celebration  
of Success

C E R E M O N Y

# Welcome from the Headteacher

Welcome to our 2025 Creative Arts and Arts Awards Ceremony, a celebration of our talented and passionate students in the Creative Arts and Arts subjects who bring such vitality and excitement to our school community.

As you will see, each subject has nominated students for Denbigh Curriculum Awards, which recognise students who have excelled academically or have made an outstanding contribution to the subject during their studies this year. There are awards for students from Years 7 to 11 and for Post 16 students.

We will start with the Creative Arts subjects where there will be Denbigh Curriculum Awards given out for faculty achievement and contribution, as well as awards for students who have made an outstanding contribution to the Denbigh Creative Arts during the school year.

We will also be presenting 'Lifetime Achievement Awards' to Year 13 students in recognition of the outstanding contribution they have made throughout their time with us. These students have shown huge commitment to the Creative Arts and created wonderful memories for themselves, their friends and families, and our school.

It has been a fantastic year for the Creative Arts at Denbigh with a huge number of opportunities for students to develop their talent and performance skills. Our whole school production of 'Labels and Limelight', written by our very own Mrs Brunings was a smash hit. We took part for the first time in the National Theatre's 'Connections' Festival, which allowed our students to perform a production of Saba's Swim on a professional stage at the Royal and Derngate Theatre. We have also introduced a new event to the calendar with our Music Soirees, where we can showcase our talented musicians across KS3, GCSE and A Level. New also for this year was our first ever cohort of students who took the prestigious LAMDA (London Academy of Music & Dramatic Art) Examinations.

We will then focus on the Arts subjects celebrating outstanding faculty achievement and contribution in English & Media, Languages, Social Sciences and Humanities. Some of this year's highlights have been Year 8 & 9 students learning about the workings of the legal system by competing in the MK Magistrates Court Competition and the work of our Holocaust Education Trust School Ambassadors, who have spread the message of what happened in the Holocaust to the rest of the student body.

Thank you for joining us today and helping to make this such a special event for our students and the School as a whole.

Mr Anthony Steed  
Headteacher

# Creative Arts & the Arts Celebration of Success Ceremony 2025

## The Creative Arts Subjects Denbigh Curriculum Awards

The following students have been recognised for academic achievement, or for making an outstanding contribution to their subject during 2024 – 2025
