## Celebration of Success

C E R E M O N Y

# Welcome from the Headteacher

Welcome to our Sports Awards Ceremony, our annual celebration of the culture of sporting success and participation we have here at Denbigh. Encouraging and supporting our students in their sporting endeavours, whether that be participating in an after-school club right up to being selected for an England Development Squad, is central to who we are as a school. Participation in sport brings with it benefits for our students in terms of their health and fitness and develops self-confidence, perseverance and team working skills.

Tonight, we are celebrating those students who have shown the highest levels of talent and commitment when representing our School by awarding them their 'Half' or 'Full' Colours. We will also award PE Curriculum Awards, which recognise those students who have excelled academically and made an outstanding contribution to PE.

Our 'Players Player of the Year' awards, as voted by their teammates, will also be presented along with awards from our successful Football Academy. We have a new award category this year which recognises Sixth Form Leadership. We are grateful to the Sixth Formers who assist our staff to run sports clubs and offer support in lessons for younger year groups.

All the students recognised today are listed in this Brochure along with the names of those who have regularly been members of our sports teams. The Brochure also records the students who have achieved regional or national recognition this year in their sporting fields.

It's been a fantastic year of sporting achievement at Denbigh. It has been a particularly strong year for Denbigh Football, with success for both our boys and girls teams. Our U18 Boys Team and the U16 Girls Team both reached County Cup finals. This was the first time a Denbigh Girls' Football team has reached a County final, and it capped off a wonderful season during which they also became MK Champions. Our U18 Boys Team draws students from our successful Football Academy, and they achieved further success by becoming EFL CEFA Football League Champions for the second year running. Our Y11 Boys Team are also MK Champions this year.

There has been a focus on developing Girls' Cricket at Denbigh this year, under the guidance of Bucks Cricket coach, Claire Munday. Claire has led PE lessons and run an afterschool Cricket Club for Year 7 to 9 girls. This has been a wonderful opportunity for them, and they have been able to test out their skills against other schools in the 'Chance to Compete' Competitions. Our U13 Boys Cricket Team has also been crowned MK Champions this year.

We have also seen some remarkable individual success stories from our students in terms of their sporting activities out of school, including being selected for British Gymnastics' Tumbling Talent Pathway and competing across Europe for British Judo.

I would like to take this opportunity to thank all the staff in our PE Faculty who match the commitment of our students and always go the extra mile when encouraging, coaching and motivating them. Without them none of this success would have been possible. One example of this is that every year our PE staff, assisted by our Football Academy students, organise the MK Secondary Schools Cross Country Championships at Campbell Park, which this year involved 350 runners from 12 MK schools and was a fantastic event.

Thank you for joining us today and helping to make this celebration special for all the students and staff.

Mr Anthony Steed  
Headteacher

## National and Regional Sporting Achievement

Congratulations to the students who have achieved national or regional recognition in their sport during 2024-2025.

Daniel Ayodele
