Welcome from the Headteacher

Welcome to the 2025 Denbigh Celebration of Success Ceremony.

We are delighted that you have been able to join us this evening to help us celebrate exceptional attainment, progress, engagement and contribution across the School during the last academic year. Tonight's winners exemplify our School's vision of 'Aspire, Innovate, Achieve and Belong.'

On this special night of celebration, we are recognising exceptional attainment and progress made by our students from Year 7 through to Year 13, including success in this summer's GCSE and A Level examinations. We are also recognising students who have shown outstanding engagement in their studies this year, as well as those who have excelled in extra-curricular activities. We are giving out Head of Year Awards to students chosen by our Pastoral and Progress Heads of Year for their commitment and contribution over the last year.

We have five prestigious individual awards to be presented tonight. The Lucy Hawthorne Citizenship Award and the Loftman Award, recognise those students who through their enthusiasm and commitment have contributed hugely to the wider life of the school, in addition to their academic studies.

The Andy Squires Science Award, awarded in memory of Andy Squires, our former Headteacher and an inspirational Science teacher, is given to a student who has demonstrated enthusiasm and excellence in Science.

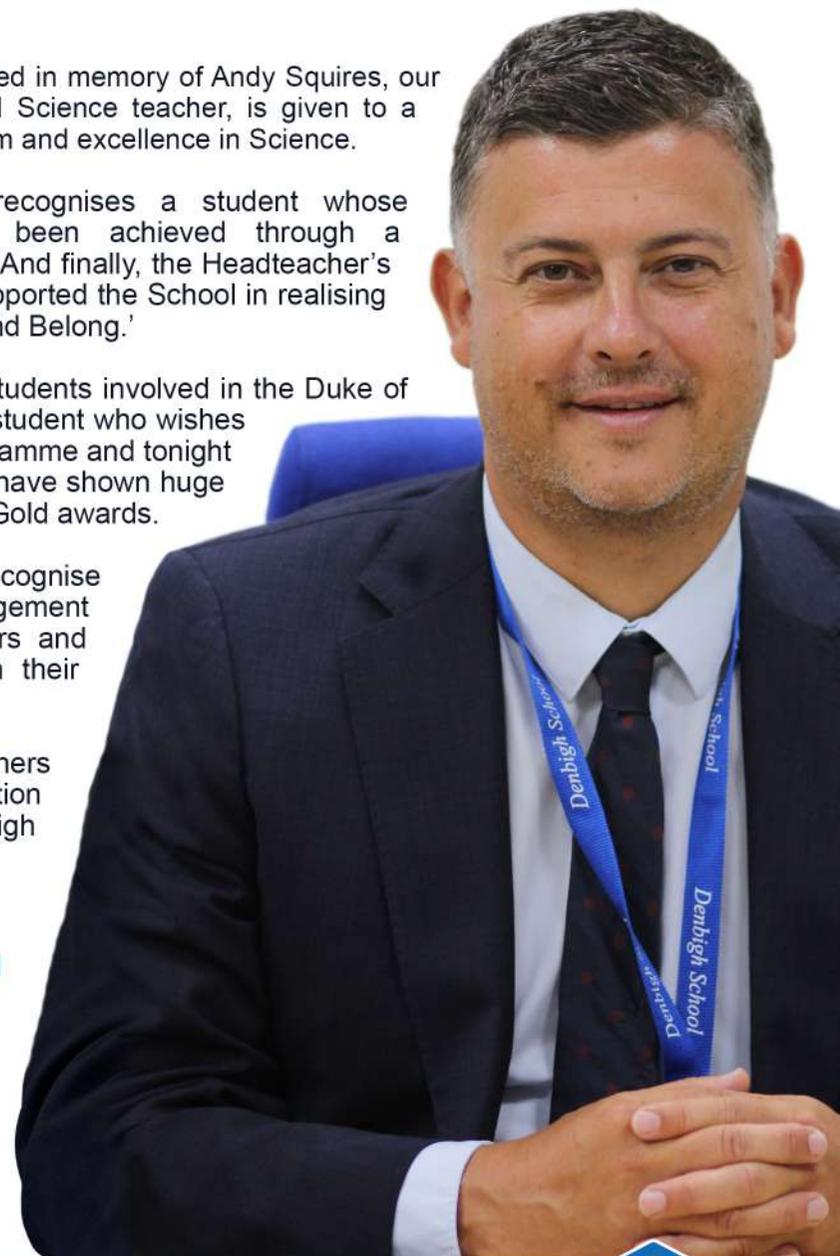

The Care and Opportunity Award recognises a student whose outstanding personal progress has been achieved through a commitment to growth and opportunity. And finally, the Headteacher's Award is given to a student who has supported the School in realising its vision of 'Aspire, Innovate, Achieve and Belong.'

It is also a night of celebration for the students involved in the Duke of Edinburgh Scheme. We support every student who wishes to take part in this popular national programme and tonight we are recognising those students who have shown huge commitment to achieve their Silver and Gold awards.

This evening is also an opportunity to recognise the commitment, support and encouragement given to our students by their teachers and families as this plays a huge part in their success.

We congratulate all our award winners tonight and acknowledge the contribution they have made to the success of Denbigh School. We are proud of them all.

Celebration of Success

The Lucy Hawthorne Citizenship Award

The Lucy Hawthorne Citizenship Award is awarded in memory of Denbigh student, Lucy Hawthorne. The Award is given to a student whose attitude and commitment embodies what is meant by Citizenship and how much it benefits the school. During her time at Denbigh, Lucy excelled across the curriculum, but she also seized as many opportunities as she could to become involved in the wider life of the school and it is this type of commitment and enthusiasm that is recognised by this Award.

The winner of this year's Lucy Hawthorne Citizenship Award is:
Trinity Fulton

The Loftman Award

The Loftman Award was donated to the School by the Loftman Family who have had five children at Denbigh School. The Shield is awarded to a student who has participated in and benefited from a wide range of extra-curricular activities during their time at Denbigh.

The winner of this year's Loftman Award is:
Gabriel Moses

The Andy Squires Science Award

The Andy Squires Science Award is given in memory of our former Headteacher and inspirational Science teacher to a student who has demonstrated enthusiasm and excellence in Science.

The winner of this year's Andy Squires Science Award is:
